

Change, Change, Change

Key Features:

- ✓ Prepare your staff to embrace the change of BSF or similar.
- ✓ Grow the Mindsets of your staff.
- ✓ Grow the Emotional Intelligence of your staff.

Twenty first education is bringing change on an unprecedented scale. Developments in technology, school design and course structures require staff to be comfortable with change. Equip your staff for these changes with this outstanding personal development programme.

Your staff will learn:

- The power of having a “Growth Mindset” and how choosing this mindset reduces the fear of change.
- To maximise their own Personal Learning and Thinking Skills.
- To feel more creative and act more creatively every day.
- To make their emotions work for them, not against them.
- Proven techniques for stress management.
- To see challenges, struggles and changes as welcome guests in their lives.
- The optimal attitude to enhance their learning and the learning of those around them.

Your staff will experience:

- An interactive, creative, challenging day of learning led by outstanding trainers.
- Hands on, highly practical strategies for managing change.

Motivation for all:

- Engage your staff on the learning journey.
- Level up - getting your staff to lead themselves and their pupils to higher levels.
- A better place to work - how enjoyment can be built into their everyday lives.

“MALIT’S training has been transformational for the teachers involved.”
