Your students will learn:

- Why people behave ('act out') as they do.
- Thoughts-feelings-action cycle and the power of their words.
- The power of "Growth Mindsets" - get their minds to work for them and not against them.
- The Creativity/Motivation link (this may include creative writing, presentations, music making and much more).
- Techniques to get yourself relaxed and in the zone every day.
- The 10 myths about successful people.
- The MALIT Way for Thinking and Goal Setting.

Your students will experience:

- Interactive, creative and challenging days of learning led by an outstanding trainer.
- A course that has already changed lives.

How your school will benefit

- No one left behind - how your biggest pains can become your biggest gains.
- Build personal development principles into your pastoral system.
- Help with cross referencing this course with the national IAG Standards and Personal Learning and Thinking Skills.

"This course made a real difference in students' outlook, attitude and their relationships with staff. Students developed self-motivation and their maturity visibly grew."

- Wendy Daley - Assistant Headteacher, Hillside School, Bootle.
