

Jump a Grade

Key Features:

- ✓ Help students develop the habits of successful learners at AS, A2 levels & similar courses.
- ✓ Equip students with the skills and attitudes required to achieve their full potential.

The MALIT team have created two separate one day courses for large audiences of students that can be taken together or individually. Each course builds on our vast experience as key stage 5 teachers and is informed by current Examiners. We are confident that this course will help students to hit their potential grade.

Your Students will learn:

- Why the techniques that got you through GCSE are no longer good enough.
- Tips from Examiners for answering exam questions at AS, A2 or similar.
- Essential skills for success such as research, problem-solving, time-management and independent learning (and how to develop them).
- The 10 ways to guarantee you do well in your Level 3 qualifications.

Your Students will experience:

- An interactive, challenging, fun day of learning, from excellent trainers.

Your Students will leave with:

- A comprehensive course booklet.
- Strategies to maximise their grade potential and develop staying power.
- Personal knowledge of habits that could be holding back academic potential.
- Personal targets based on their learning.
- Greater optimism about their exam potential.

Post course support:

- Access to free downloads from the MALIT website such as tips sheets and podcasts.
- Free traffic lights breakdown of 'barriers to success' to the school/college.
- Advice on how to integrate independent learning skills into the curriculum.

"Over the past six years MALIT has consistently created high quality learning experiences for literally hundreds of our students."

- Richard Knight, Liverpool LA Aim Higher Co-ordinator
